Show and Tell

Speaker – Debbie Russell, Vice President announced the June speaker will be Sherri Rogers - Harrison who makes quilts that look like they are appliquéd, but they are not. She and her "deceiving" quilts have been on TV with Alex and Ricky; shown at many major quilt shows and won several whole cloth awards. You will be amazed when you see how she paints to make it look like applique. This should be inspiring for those of us who aren't into applique!! You can find her website at
