Dotti Read the Purpose of the Guild

Quilt show Chairs, Lori, Lyn, Joan, Debby and Debi, took the floor, it is getting close! The sign up was posted in January as many members requested and there are still a lot of openings. This is our quilt show and it requires us all to put in sometime. The co-chairs have been working hard and have most of the pre stuff complete but we need volunteers for set up, the 3 days of the Show and Tear Down. Please look and see what you can do to help. There are also sign-ups for the Covington Days, Tea Room goodies and the Soup Kitchen. If you need help signing up, please contact one of the co-chairs to help. It is time to register your quilt, if you need help please let us know on that, too. If you know anyone that would like to run an ad in the quilt show program, please contact Debby Perry-Evans.

Mary Ann is going to need help with the binding on the 2020 raffle quilt, if you are interested please contact her.

Linda is looking for scrappy quilts for the bed turning, if you have one please contact her.

The meeting was turned over to Country Carriage and they had kits for us to make wool needle cases. They provided the pattern, wool, thread and needle. They walked around giving help as required. Fun and interesting. They had a mini store in the back of a few things for sale if anyone was interested.

There was a short break and then business meeting started at 8:30

Leanne, the Membership chair introduced our 5 guests and one new member. The winner of the badge prize was Cindy Knighton.

The Auction brought on \$1,400.00 for the guild and \$600.00 for Hugs, Great Job Everyone. (I hope this is the correct amount I was helping someone sign up for the show). \$2,500 dollars has come in from Boeing for Hugs.

Zena had 12 blocks turned in for the block of the month. The first name was Zena so she had another name drawn, Tabatha was the big winner.

Bobbi thanked those that participated in the challenge this month, the next one will be an apron. There will be more to come so start looking for your pattern now.
